Chairman

WINSHILL PARISH COUNCIL

CHAIR'S REPORT TO THE ANNUAL MEETING

14th May, 2015

It has been another very busy year for the Parish Council.

The Summer Fayre brought in the crowds who enjoyed the numerous stalls and activities. The Centre Co-ordinator Kim Smith is to be congratulated yet again on a very well organized event.

This year's Winshill in Bloom Competition was judged by Paul Steed and we again held the Presentation Evening at the Neighbourhood Resource Centre where prizes were presented by the Mayor, Councillor Ron Clarke. This year there were a record 29 entries in all categories.

We again entered the Heart of England in Bloom in the Urban Category and this time achieved the coveted Gold award. We are grateful to all those who helped to make our entry such a success, particularly Paul Steed from the Greenhouse Centre who helped us so much with bedding plant preparations. We are as ever grateful to all those organisations that helped to make the appearance of Winshill so much better by adopting a tub. The tubs certainly enhanced an already spectacular display of hanging baskets. Finally we are grateful to Winshill Bloomers for their efforts in producing over 30 hanging baskets.

The new Open Gardens Day organized by Penny Perry was also a great success. Several gardens around Winshill were open to the public and a bus service was arranged to enable people to hop on and off as they visited each garden. All monies raised went to Winshill Church.

The Parish Council continues to fund weekly visits to Winshill by the Citizen's Advice Bureau that enable residents to get support during this time of austerity.

The William Coltman VC Peace Wood in Mill Hill Lane was officially opened on 17th November on the anniversary of Coltman's birthday by his grandchildren. In a very moving ceremony local schools played a leading role. Pupils from Tower View laid 94 crosses to represent each of the Winshill men who gave their lives in WW1. These have now been re-positioned by placing one against each of the 94 trees that also represented these men. The Peace Wood received a special award at the Heart of England in Bloom presentations.

I especially would like to thank those members who have served on the Parish Council over many years and now have moved onto new challenges.

Finally I should like to thank all of my fellow Parish Councillors for their support and for their continued hard work in making Winshill such a success story.

Regards

Ian North

Chairman
